## Our Offer

We are offering you the chance to own a share in a traditional village pub situated in the heart of rural North Yorkshire. Located just 2 miles from the thriving market town of Bedale, sandwiched between the Yorkshire Dales and the North York Moors and a stone's throw from the A1 and RAF Leeming, The Green Dragon has, until recently, successfully served a wide and varied clientele.

## Where are we now?

A fantastic community response to our share offer means that we are now in a position to complete on the purchase of the Green Dragon, having raised over £320,000 from a mixture of shares, grants and a loan. We are extending our share offer to investors who may have missed the first opportunity but still want to get involved.

## Our vision

With your help we will purchase The Green Dragon as a community asset and restore it to its former glory. We aim to re-establish it as a successful trading pub serving both the local community and visitors to the area. Our priorities will be:

- To revitalise the pub as a thriving business serving good quality food, beers, wines and spirits
- To reinstate the cottage attached to the pub as viable, affordable and comfortable housing
- To establish a community shop and café / delicatessen
- To restore a range of social activities in the pub and grounds which rekindle the community needs and spirit of the village

## Our plan

We are purchasing the pub as a community asset through a mixture of a share issue in a community benefit society, grants and a loan. In turn, the pub will be refurbished and improved as a fit for purpose venue operated by a dynamic tenant who shares our vision for a successful village and destination pub.

## Your help

Our vision is attainable. Our Community Benefit Company is set up - (EGDCP Ltd). Our offer to purchase The Green Dragon has been accepted and much of our funding is in place. Your investment will help make the Green Dragon a great place.

We have raised the money we need to purchase the pub and unlock grant funding to make much needed investment in the facilities on offer. Your investment will make sure we refurbish the pub and cottage to a high standard and ensure the business is a success and credit to the community.

## Your return

We envisage a profitable business based around rental income from the tenant and the attached cottage. In return for your financial support, you will receive interest on your investment at a rate considerably higher than that currently offered by banks.

More than that though, we are confident that when you visit you will be rewarded by an open, friendly, warm and welcoming pub that lies at the heart of its community and reflects all those who live in Exelby and the surrounding area.

## Your pub

Imagine having a pint or a meal in a pub that **you** own!

This model is not unique. It works and has been successful elsewhere. It is a great opportunity to invest in a worthwhile community enterprise that will provide a valuable service to its members and users.
