

Exelby Green Dragon - Garden Maintenance Events

Do you have an hour or two to spare, to help further improve the gardens at the Exelby Green Dragon?

There are a number of projects and tasks that Tom and Becci have requested help with, which are listed below, along with dates and times. Quite a few are in August, in readiness for the Beer Festival which is being held on Friday 27th – Sunday 29th August.

If you would like to volunteer to help with any of these please contact EGD.Garden@gmail.com to let us know your availability. Further details will then be sent to you confirming arrangements for the day. If you don't have an email address, please leave contact details at the pub so we can get in touch.

We have agreed with Tom proposed planting for a number of areas within the garden, and would appreciate any donations of the following plants:-

Naturalising bulbs, Primulas, mixed grasses, ferns, Honesty, and Montbretia/Crocasmia

To ensure donations can be planted as quickly as possible please drop them off at the pub on 26th and 27th October.

Many thanks, your help and/or donations are much appreciated in making the EGD outdoor space even more inviting than it already is 😊.

Thank you
